### Reports

You will have had your child's report sent to you today by email. The staff have worked hard to predict what your child would have achieved if things had been normal but also to reflect on the learning they did.

Here we see some of our Y6 children enjoying the Virtual PGL. They constructed a zip wire from the staffroom and sent some teddies down for the ride.

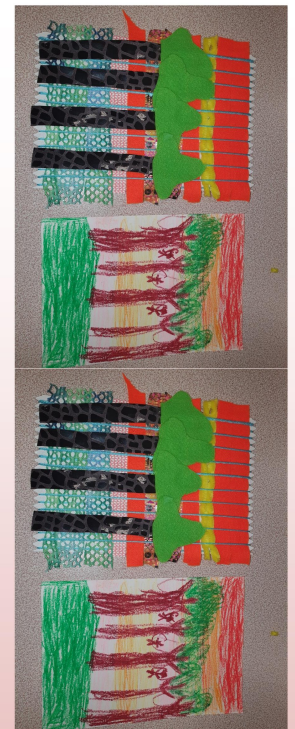

Above we see the children testing out the rafts they built.

### Gift Card Draw

Thank you to all our lovely families who have left Google reviews on the school. They were entered into a prize draw to win a £25 Amazon voucher. I can announce that your Editor was videod pulling out the winner and that was... Mrs Young!

### Arrangements for September

You will have heard the Government's announcement on schools opening fully from September. Every child in every class will be back full time from the start of term. There will be changes to the start and finish times for each year group as we have to employ year group bubbles and keep bubbles apart. More detail has been sent to every family and we would ask that you think about your arrival and collection times as we cannot have parents in the playground at the moment.

KS2 children did some lovely pastel and matching woven landscapes linked to our anywhere island project.

Say What You See has reached new heights of difficulty this week. Do any of you know what the image on the right represents?

School closes completely for the summer next Friday. This is the first time it has been closed since February half term.

Mrs Noon's first display at our school is based on The Colour Monster book - a story about feelings and how to express them; a really good covid appropriate school book to help children make sense of feeling a bit mixed up but also noticing when they experience certain moods and can explain why they feel like this! The display also incorporates being in our bubbles and the children who share the classroom throughout the week. The children created their own monsters in craft too and they absolutely loved the colour monster theme! The children still refer to it now to describe how they feel using colour.

### Farewell Picnics

Year 2 have been invited to join their class mates for a farewell picnic on either Wednesday 15<sup>th</sup> (2:1) or Thursday 16<sup>th</sup> July (2:2) at 1.10-2.40pm at the Field Top Road Site. Snacks, fun and (socially distanced!) games will be provided. There will also be opportunity for them to collect their workbooks and any items that got left behind. We hope that everyone can join us to end this year and time at the Field Top Road site with fun and laughter.

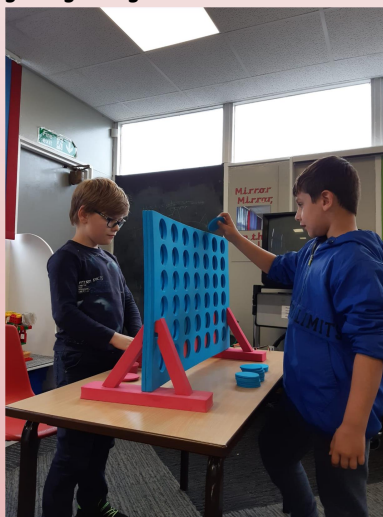

At the Fun House, Harry and his sister decided to transplant some strawberry plants since they weren't getting enough sunshine.

Here is a Sophia-sized chalk drawing of a unicorn.

### Governors

I would like to take the opportunity to thank our wonderful governors who have been so supportive through the pandemic as always.

Meanwhile, over at Hooters, it's game on!

Pictured left are some of our Y1 children enjoying a goodbye picnic with Miss Schofield, who leaves us this Friday.

### DID YOU KNOW?

YOU ONCE HELD A WORLD RECORD WHEN YOU WERE BORN FOR BEING "THE YOUNGEST PERSON ON THE PLANET".

Everyone is enjoying the random facts on our VLE. Why not check out what's new there?
