The @school learners have been busy on all sorts of Easter-related art this week.

And it's not just been art because they have been baking too.

### Easter Competition

This week we are running an Easter wreath competition and we have some super prizes to give out, as you can see. There will be six winners. This is open to home and school learners so please get your thinking caps on and let us have your entries. More details in the emails sent to all parents.

### I loved this comment on our Longroyde Facebook page from Mr Williamson

"Harry won minimal effort award. Danny was star of the week, Charlotte got tidiest bedroom. Ella got a special mention for scruff of the week."

Great to hear that parents are doing their own rewards assemblies. If you have any good news stories we would love to hear about them here at Longroyde News The editor will be happy to use your pictures or articles.

Lori has written a really detailed account. "First I drew around a bowl on a piece of cardboard to get my biggest circle, then I drew around a paper plate inside it to get a smaller circle. Then I cut it out to get a cardboard hoop."

To the left and below are some lovely entries for this week's Easter competition. The children were asked to design an Easter wreath.

Mrs Boyle has written...

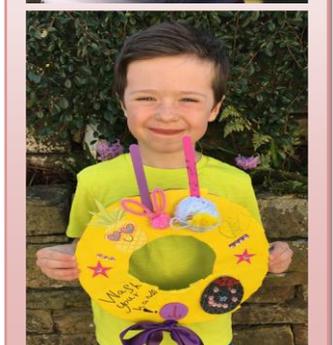

"What a lovely way to spend a sunny afternoon in the garden, crafting and learning life skills at the same time - learnt to cut shapes free hand out of felt and then sew together, even sewing on a button - all Rory's ideas - so proud of him. He used his frisbee for his wreath frame - hope he does not want it back, as it looks lovely hanging on the door 😊"

Lovely comment here from Mrs Young

"Take care and a very well done to all the staff at school for continuing as you have up until now and keeping our children in their as normal as possible routines with all the extra measures that have been in place recently both in school and the after school clubs. Hopefully children will be back in school at some point before the end of the school year."

We hope so too Mrs Young!

### Lunchtime Olympics

Mr Young would have been proud this week to see the @school learners taking part in numerous sports over lunchtime. We have been tackling frisbee, swing ball, football, stilt walking, Velcro bats, beach bats and (especially because Mr Payne has been on duty this week) Boule. I can tell you that Reggie is a terrible cheat at swing ball, Henri is becoming an expert at Frisbee, Poppy can now walk on stilts (with some assistance) and the most accurate Boule player is Junior FC. Thank you to the staff who have manned and ladied lunchtimes. We are usually shattered by the end .
