LPS PFA have been very busy planning for next term. It's great to hear that we are all trying to get back to something close to normal. The PFA have plenty of ideas as always and will be sending out more information to new starters in September.

Goodbye Year 6

It's not been the end to a primary school that anyone would have wished for but this week we have had to wish a fond farewell to our children transitioning to their high schools. The children were able to join together in our school for one last time for a socially distanced event with their teachers on Friday. Of course, some Year 6's have been coming in for several weeks now too. It is also goodbye to several families who have had two or even three children through our school. It's been wonderful to get to know so many families and we really do wish everyone all the very best for the future. We hope you can all look back on your time in our school and remember it fondly?

Year 2 Picnics

Thank you to the Year 2 staff for organising two picnics this week for their children who will be moving sites next term. The weather was kindish on both days and they were able to get outside. Most of the transition activities have not been able to take place this year sadly.

Enquiries for places from September 2020

Places are filling up fast in most year groups now in readiness for the start of the new term. As we mentioned in our last letter to parents, everyone will be in every day but with staggered start and finish times.

If you know of anyone who wants a place at our school please encourage them to call the office as a soon as possible.

Fun House and Hooters

We have had a great deal of interest but have limited spaces. If you would like a place please contact the office as soon as possible.

New members of staff

Covid-19 has been a torrid time for so many in our community. Young people have suffered disproportionately it seems. Courses they have been booked onto and apprenticeships have been cancelled. To help out, at LPS we have decided to take on an apprentice in our office at LR along with our two new learning support assistants.

Summer Holiday

School closes today for the break; we would like to wish all our families a safe and happy holiday. We look forward to seeing everyone safe and well on Tuesday 8th September.

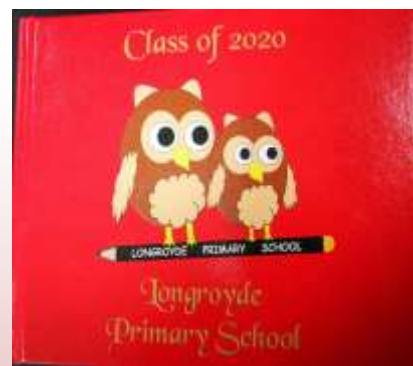

We've had some really interesting and well written work during lockdown. This example to the right, is from Year 5.

Message from Limelight

"We know lots of you are looking for holiday childcare so we are delighted that in accordance with the latest government guidelines, we are running our Limelight Summer Schools! 27th - 31st July or 3rd - 7th August. They are open to Limelight students and non-students but strictly limited to fifteen places, so book online at www.thelimelight.live/summerschool today. Days run from 10am - 3pm (doors open for drop off from 9.30am) and the full week costs £90 with £10 off for siblings. We require a £20 deposit per child to book your space. We will dance and act and at the end of the week, we will stream a specially written (socially distant) show for parents, friends and family to enjoy. It will be something truly unique! If you have any questions, please drop us an email. We can't wait to see you!

Many thanks to the PFA for organising our Year 6 leavers' autograph books. These have been signed by all the staff.

Lots of us have received thank you cards from the key workers this week.

Year 5 children have been thinking this week about their highlights from the year. Lucy Errington Finch has enjoyed maths this year, Evie Hesketh will always remember the trip to Cliffe House, Emily Nicholson really enjoyed the Viking Day and Khalsa enjoyed playing football with his friends. Layla Rose will always remember her Year 5 teachers, Mariam was so happy to achieve her pen licence, Sofia has enjoyed art. We look forward to creating more lovely memories with the children in September.

Cornerstone Make Lunch Summer Picnics

Cornerstone Church in Brighouse have sent through the following lovely message...

"Since we are unable to hold Make Lunch sessions as normal we plan to offer a picnic lunch for our registered families on 5 Mondays of the summer break. This will be tailored to each family and can be collected from Cafe 139. Families will be encouraged to go across to Wellholme Park to enjoy their picnic and use the play facilities there.

The dates for this are:

- Mon 27th July
- Mon 3rd August
- Mon 10th August
- Mon 17th August
- Mon 24th August

Make Lunch contact details:

Make Lunch mobile number: 07307693213"

Thank you to Mrs Tinker for inviting our families to take part.

It was a murder mystery in the Year 6 group run by Miss McGuire this week. Clues were provided and suspects eliminated.
