Good News...

The winner of last week's Sports Challenge with 7,694 points was Air, followed by Earth with 7,195 who just beat Fire's 7,165 and left Water standing on 5,499.

Thank you to Mr Hurst for organising this event and to everyone who took part and sent in their pictures and videos.

Annabelle trying hard for Water.

Well done children

We have all been impressed by the sensible way our children have conducted themselves over the last few months and especially since more children have returned. Well done everyone!

September 2020

Getting back to normal is a top priority for all of us and I know that you will be keen for school to do the same. Following the announcement on social distancing from the government this week, we are eagerly awaiting details of how the new normal will look in schools in the new academic year. We have been told to expect guidance in the next seven days, so once this comes through I will be in touch with parents about September 2020. I am delighted that we have been able to go further than some schools in welcoming back some Year 5 children from next week.

Welcome back this week to

children in Years 1 and 6 whose parents wanted them to return before the summer. We have also invited Year 5 parents to send their children back from next week. This is on top of the Key worker Groups we already have in. Under the current guidance we are now at capacity until advice changes.

Mrs Ayrton has planned some socially distanced visits this year for new Reception parents. More details have been sent to eligible parents.

Calling all parents, carers and children past and present!

We would love your feedback to add to our website. Please post a review - as brief or long as you like - via Messenger, comments below or on our Google profile.

Competition Time...

We're offering the chance to win a £25 Amazon.co.uk gift card.

We will video Mr Fox drawing the winner out of a hat on Wednesday 1st July (providing we have at least 20 reviews, we have 3 so far). ...

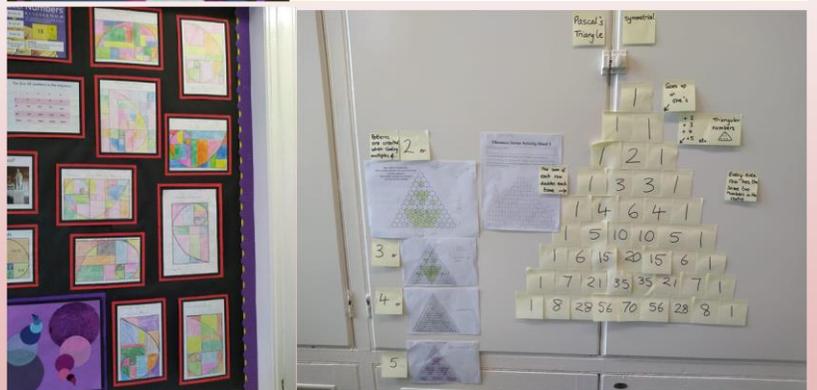

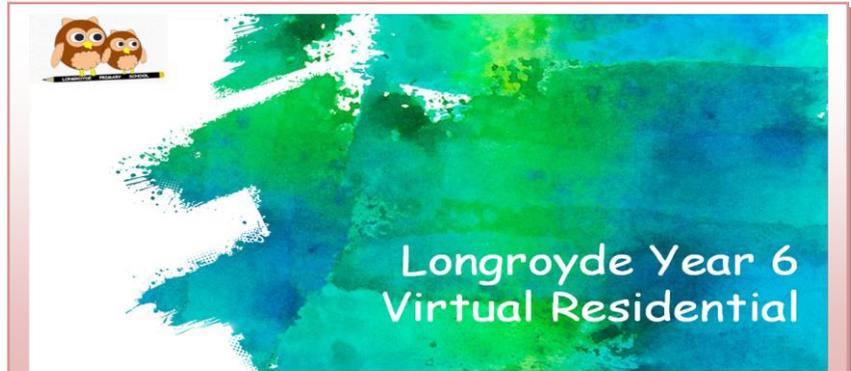

Watch out for details of our virtual residential which Miss McGuire has put together for Year 6 (pictured right)

In school, the older KW Group played a game to generate funny headlines today, and wrote a brief news bulletin to combat against all the bad news we have had over recent weeks. The words in bold were the words generated in a dice game, and they had to create a newstory around them. This is Gracey Mae's...

"Hello and welcome to Longroyde News. I'm Gracey-Mae and today's funny news story is: **The Prime Minister Hides 15 Terrible teachers** in a Brighthouse Hotel!

Last night, in Brighthouse, in the Holiday Inn, it was discovered that the Prime Minister (Boris Johnson) had been hiding 15 terrible teachers from Longroyde, including Mrs Mitchell, Mrs Tough, Mrs Bird and Mr Young, in The Holiday Inn hotel, because they were behaving worse than the children at school. A child from Longroyde was reported to have said that they were very surprised to see their teachers dancing around the classroom and making paper airplanes out of homework and throwing them at the children.

This has been Gracey-Mae reporting for Longroyde News. Thanks for listening! Goodbye!"

Investigating patterns and artwork based on the Fibonacci sequence.

On the VLE this week, children have been challenged to continue a story based on Madagascar, which they have been learning about in school.

Who am I?

Each week there's a different person to work out. Who do you think this person is? For more challenges, head over to our VLE.

"This person works across both sites. She does lots of different jobs around school, some of the jobs she does you probably don't know about. She paints, locks the building, checks everywhere is clean and tidy, she brings the dinners from Field Top Raod, she makes sure things are safe in school.

Who do you think I am describing?"

Mrs Holdsworth may be retiring soon but she's still keeping us active outside.

"As this week is going to be lovely & sunny, I thought about games I used to play when I was a child. One game we played was shadow tag. Similar to scarecrow tig, except you have to stand on your friends shadow. You just run around & count how many shadows you can jump on, within a certain time. Your teacher, parents or friends can decide on the time."
