Having been brought up
a stone's throw from
Flamborough Lighthouse,
I love these pictures
from Zac and Annabelle
in Year 1.

New Website for Longroyde

We are in the process of
commissioning a new web site for
our school which will be easier to
read on mobile phones. We are
grateful to Elisabeth Verrier for
her support in organizing this.
More details on this as they are
available.

September 2020

As I am typing this we are still
awaiting the promised new
guidance from the Government
on September 2020 opening for
schools. I will get details to
parents as soon as they are sent
to us. It will probably come too
late for this newsletter but
from the leaks so far it sounds
as though children will be in
larger bubbles. There could be
staggered starts and finishes
too. We are unsure whether we
will be able to hold assemblies
and what the curriculum will look
like.

Alice Macadam has been
trying her hand at
embroidery with the
help of her mum.

Calling all parents, carers and children past and present!

We would love your
feedback to add to our
website. Please send a
review to
longroydeprimary@gmail.com

Competition Time...

We're offering the
chance to win a £25
Amazon.co.uk gift card.

We will video Mr Fox
drawing the winner out
of a hat on Wednesday
1st July (providing we
have at least 20 reviews,
we have 3 so far). ...

Have you spotted the lovely work on Vincent Van Gogh pictured on the previous page? We have had some really lovely art from both sites

This week the children in the KS1 KW Bubble have explored the life of Grace Darling. This afternoon they made boats from junk modelling materials and we held a competition to see how many 'shipwrecked sailors' they could rescue and carry in their boat before it sank!

Ruby Finch's mum has sent a lovely message to school.
"As the school discos are unable to happen this year, I have set up a fundraiser for the school for parents to donate the amount they would usually send their children to the disco with. I have spoken to parents on Facebook who have really got behind the idea. If you would like to join in please visit:"
https://www.facebook.com/donate/2690028577947451/?fundraiser_source=external_url

African Art from the children in our KS1 KW Bubble this week.

These pictures are from the previous week when KS1 children tasted sandwiches (some had mustard and marmite in them!) and our coke and mentos experiment!

Rastrick High School Music Tuition

If your child has been learning to play an instrument with RHS they may not have seen the information about music lessons at RHS. Mr Marriott has asked me to mention that RHS want to keep things as normal as possible for them when they arrive in September, They would love children to carry on learning and if you feel the same, please visit:
<https://www.rastrick.calderdale.sch.uk/music-tuition/>

Year 6 are asked to have a look at Miss McGuire's Virtual PGL Residential on the VLE

Have a go at the challenges and send your pictures or videos to chris.longroyde.calderdale@dbprimary.com

FTR lava lamp experiments...stand well back!
